Tribal Minor NSR Staff Call Agenda March 2017.docx

Update: Please find attached below the agenda for tomorrow's call. For your convenience, I have pasted the agenda below as well. Please let me know if there are any questions. Thanks, Bryan.

Agenda for Monthly Tribal Minor NSR Staff Call
March 15, 2017
2:00 - 3:00 pm Eastern Time
Call In: **Ex. 6 - Personal Privacy**

1. Issue: Can federally enforceable limits be imposed through a general permit approval letter? (Bryan Holtrop - Region 10)

I have a facility that operates a concrete batch plant co-located with a stone quarrying, crushing, and screening (SQCS) facility. The facility is requesting coverage for its operations under the concrete batch plant and SQCS general permits. These two general permits combined allow for NOx emissions of 179 tons per year. The NOx emissions are a result of the operation of engines and fuel usage authorized by the general permits.

2. Region 6 would like to know from all the Regions the following information (Bonnie Braganza, Region 6):
    a. # new permits, oil and gas FIP, PBR;
    b. Any issues;
    c. e-public notice;
    d. and OTS input for minor NSR permits?

3. Headquarters update on ICR; use of permit applications forms; and online GP/PBR forms (Chris Stoneman and Greg Nizich - OAQPS)

4. Regional Report Out:

Each Region will have an opportunity to raise any Tribal minor NSR permitting issues they would like to discuss including any policy decisions you've been working on and you're ready to share.

We are going to try to use the third Wednesday as a regular date and use the same time as the Major NSR/Title V Staff Call. to schedule the Tribal minor Staff Call on a monthly basis. If there is not enough issues to discuss any particular month we can cancel the call for that month. Also I will send out an agenda prior to each month's conference call.

Please let me know if there any question or if other days or times that would be preferable.

Thanks, Bryan.
