Thanks everyone for your final review. I just spoke with Aaron Szabo at OMB – and apparently, **Ex. 6 - Personal Privacy** So, given that there are a few issues that we're still looking into, I propose we send out on Monday. **Bruce Schillo**, once we get the package together Monday, I assume you would like to send along? Let me know.

I've completed my review and am out of the file. This is looking really good.

Please see the comment bubble I placed recommending that the economists check any edits made subsequent to their own edits.

Thanks for the opportunity I was given to review this again,

Bruce
