Monica,

Thank you for the letter. The meeting tomorrow is to allow the participants to express any comments they wish on the proposed rule under review. This is a common part of our EO 12866 process. We do not discuss the proposed rule as it is pre-decisional nor do we negotiate outcomes; however, we (those in person or on the phone) do ask clarifying questions based on what we are told.

Please let me know if you have any additional questions.
