HOVENSA, St. Croix, USVI: The HOVENSA Environmental Response Trust (ERT) emailed to the Hazardous Waste Programs Branch and ORC supporting documentation regarding the extent of xylene contamination and the direction of groundwater flow in the St. Croix Petrochemical Corporation (SCPC) area of the former HOVENSA facility. HWPB and ORC are reviewing this documentation to assess the impact from the continued stop-work at this area, caused by non-payment by SCPC representatives.
