Aaron - The purpose of the meeting is to review each of the outstanding issues, explain what follow-up actions may have been taken (by Region 8) since the issues were discussed previously, and identify which issues need attention by management. I've asked Region 8 to help prepare an agenda and I will send it no later than Monday.

Mike

Thanks Aaron for providing the email addresses. I will send out a scheduler shortly to you, Varun Jain and Jim Laity.

I can clarify, this will be a staff level meeting and although the scheduler will come from Janet's calendar - she does not plan to participate in this conference call. And I am adding in Mike Koerber, who can clarify the purpose of this meeting and outstanding issues that would be discussed.

Thank you.
Emily

Can EPA provide an agenda or sense as to what the purpose of this meeting is? There are a number of outstanding issues with the O&U FIP NPRM.

The emails that should be included are Varun_M_Jain@ Ex. 6 - Personal Privacy
James_A._Laity@ Ex. 6 - Personal Privacy

Thank you very much.

Thanks Aaron! Any chance you could send me their email addresses so I can confirm that Tuesday, October 4 at 3pm could work with their schedules?

Hi Aaron,

Janet McCabe asked that I set up a conference call next week with EPA staff rom Region 8, OAQPS and OGC, as well as Jim Laity from OMB to discuss Region 8's proposed FIP for the Uinta Basin.

We could fit this in as a 45 minute conference call on Tuesday, October 4 at 3:00pm.

Please let me know if this could work on your end, as well as who from OMB you would like to have on the scheduler.

Thank you.
