Hi Toni,

Appendix 1 does not contain Confidential Business Information (CBI), and EPA can make Appendix 1 and Appendices 2-5 publicly available in the EPA-HQ-OPPT-2016-0163 Docket.

Hi Caffey,

Docket office noticed that the appendices of your EPA-HQ-OPPT-2016-0163-0174 didn't get processed because Appendix 1 contained the word "confidential" in the text.

Please confirm that:

- Appendix 1 does not contain Confidential Business Information (CBI).
- EPA can make Appendix 1 and Appendices 2-5 publicly available in the EPA-HQ-OPPT-2016-0163 Docket.

Thanks,

I guess if you could add it and call it corrected copy or something that would be better.

Thanks,

Caffey

Hi Caffey,

Thanks for the copy of the comments.

I can't substitute the original submission with this document due to document control by the Docket system. I can add this document to the docket as a new submission and reference in the notes that this is the same document as the original submission.

Please let me know your preference on whether you still want this document added to the Docket.

Thanks,

Hi Toni,

Attached are the comments we submitted yesterday. I am providing to you as a courtesy but also to request that you substitute this file for the one submitted

yesterday to Regulation.gov. Perhaps because of the size, we had to cut off the cover and contents and submit them separately or at end of document. The attached file has everything in the right order.

Thanks,
