Fewer Okla., Kan. Residents Face Earthquake Risks From Wastewater

3/1/17 2:51 PM

Human-induced earthquakes could affect about 3.5 million people this year, according to a U.S. Geological Survey report published Wednesday that cites wastewater injections as the primary cause.

Senate Confirms Zinke as Interior Secretary

3/1/17 11:52 AM

The Senate voted 68-31 to confirm Ryan Zinke as secretary of the Department of the Interior on Wednesday, wrapping up a non-controversial confirmation process for the head of the country's public lands.

Surveillance Battle in House Focuses on Number of U.S. Citizens Affected

3/1/17 3:38 PM

The House Judiciary Committee on Wednesday began the process of examining potential changes to a foreign intelligence-gathering program, with the panel's top Democrat saying a key concern is how many American citizens are targeted by the law.

Trump Voters Follow the President's Lead on Which Companies to Dislike

3/1/17 5:20 AM

Consumers take note of companies that get associated with President Donald Trump, either as a result of his criticism or because they're tied to his administration. And how someone voted in November appears to influence whether they have a positive or negative view of those businesses.

Investors Are Not Holding Their Breath for Snap Inc.'s IPO, Poll Shows

3/1/17 2:24 PM

With Snapchat's parent company, Snap Inc., anticipating its first day on the New York Stock Exchange, are investors anxiously awaiting trading to start? According to a recent Morning Consult poll, it doesn't carry the same allure as Facebook or Google yet.
