Notes: Mr. Wilson advised that he feels he already answered the questions 1 of the 1/29/91 letter. I advised Mr. Wilson that we would like him to answer question 1 as its broken down in this letter, not how he broke it down in his 11/14/90 response. Mr. Wilson advised that no one can say they never generated a brown-gluey like substance. Mr. Wilson advised that he does not have documents which would indicate that Armstrong never - or - did generate a brown gluey substance. I advised Mr. Wilson I did not realize that he wouldn't be able to answer the question as is (i.e. too general). I advised him to answer to the best of his ability & we are not looking for duplicate information. Mr. Wilson asked if EPA coned narrow the time span down. I advised Mr. Wilson that the information we received about Armstrong disposing of this type of waste at the Site centered on the yrs 1976-1979. However he should answer the question based on the 50-86 time frame. Mr. Wilson advised that question 2 →
