LCFS - applicable to plants - CO_2 storage
Q45 - req. by fed gov'd

How to get CO_2 - trucking
rail from refineries, maybe pipeline later

Labs - talking to landowners.

Figuring out location - permit application 1st Q

Class VI application. Need to pick the location — talking w/ landowners.

Cat Cyn - public responses - Jordan Martin - WZI not moving quickly
Oxnard -> public
Holser - Same
EPA attend hearing? Schedule meeting?

Hearings / Workshops others coming up.

Public Health rulemaking — added to Mission of agency + Rulemaking process. Takes a year
Starting workshops this year.

Coalinga - ask when getting this?

MW Sunset. still problems.

Lynch - when ERA?
Sespe - when EPA?

KernR -
