Cat Cyn — WB does not have. Next to WB

timing — to WB next couple

wells, to WB → CalGOM.

* pending USGS — how they are dealing w/

input. Just started sampling.

No Rush

3 years for publication.

Feb 10 response to Santa Barbara County.

Proposed + expanded — necessary for contemplated

2 formations Sisquoc + Monterey

500 300 200 wells.

No new wells outside the shaded area.

CBD had two sets of comments sent. to EPA

Oxnard

Fixing up the "unknowns" in the table.

Not great reception from some landowners

Couple months more on water well study.

After all that → public comment.

Bd supervisors will not like.

will be months for public hearing.
