Hello Again,

I am very pleased to announce that the Technical Assistance Unit has on-boarded Brian Sanchez to assist with ecological risk assessments. He is a PhD level ecotoxicologist coming to us from the US Fish and Wildlife Service in Lakewood. Brian has worked with Region 8 EPA on several CERCLA, RCRA, NEPA and Endangered Species Act issues in the past so he is probably familiar to many of you. Please feel free to stop by and say hello if you get a chance- cube 5252.

Thank you.
