RE: Completion of Additional Work Required for EPA §7003 Order RCRA Docket No. RCRA 08-2014-0001

Dear Ms. Maxwell:

US Magnesium LLC (USM) completed the signage change consistent with your letter dated August 26, 2019. The signs now read: "Warning- Stay Out - Hazardous Material Area Behind This Sign – For additional information call the U.S Environmental Protection Agency at 303-312-6068. USM used pre-printed, plasticized stickers to effectuate the telephone number change to 303-312-6068 as shown on the attached photograph. The signage change, including replacement of one damaged sign with several bullet holes, was completed on August 28, 2019. USM will continue to periodically check the condition of the signage and repair/replace signs as necessary.

Please contact me at (801) 532-1522 ext. 1355 should you have questions regarding this information.

Sincerely,

Rob J. Hartman, P.G.
