Hi Brittany,
In case you hadn't heard, SB3095 was signed by Governor Ige on Wednesday. Here's some info:

It is official: Chlorpyrifos ban, buffer zones, etc.

Hi Delanie-

Please see the sample draft informal resolution agreement. After you have had a chance to review, let us know if you have any questions. In addition, lets touch base early next week to see if you have identified the HDOA experts who we should speak with concerning the identified subject areas.

Thank you again for your help.

Subject: Interview Questions

Hi Delanie-

I hope you are doing well. Apologies for the delay in getting back to you with the types of questions that we would like to discuss with the identified HDOA representatives. As previously discussed, the purpose of the interviews will be to better inform and to provide background for the development of a draft resolution agreement. Please take a look and let us know who may be the appropriate folks within HDOA to discuss some of these items.

As an aside, we should be able to send you the sample informal resolution agreement within the upcoming week. Note that this sample will of course look different than a post interview(s) draft agreement.

I will be out of the office starting tomorrow, but will return on Tuesday, the 12th. Let me know if you have any questions. Thank you!

Hi Delanie-

As an update, we are currently working on the interview questions and putting together a draft informal resolution agreement (Agreement) for DOA. We should be able to get the questions to you by next week. I am pushing to get a draft Agreement to you by the week of the June 4th.

Let me know if you have any questions as I understand that you are planning to speak with your Director soon. Thank you.

Hi Delanie & Andrew-

I hope you are both doing well. For tomorrow's call, please use the following conference call information:

Ex. 6 Conference Code

As previously discussed, the purpose of the call is to continue our conversation regarding potential informal resolution and to discuss HDOA's written feedback in response to EPA's one-pager.

I expect a smaller group to participate on tomorrow's call. Let me know if you have any questions.

Thanks!

Hi Delanie & Andrew,

Please see the attached agenda and discussion one-pager that we will use for our upcoming call. I have also attached the Kauai Agricultural Good Neighbor Program evaluation report as a reference. (I know you most likely are already familiar with this document).

As an aside, is it possible to push the call back 15 minutes? Some participants will be coming back from another meeting that ends right before our call. So, it would begin at 11:15am Hawaii time. Please let me know if that is okay.

If you have any questions or concerns prior to our call, please call or send me an email. Thanks!
