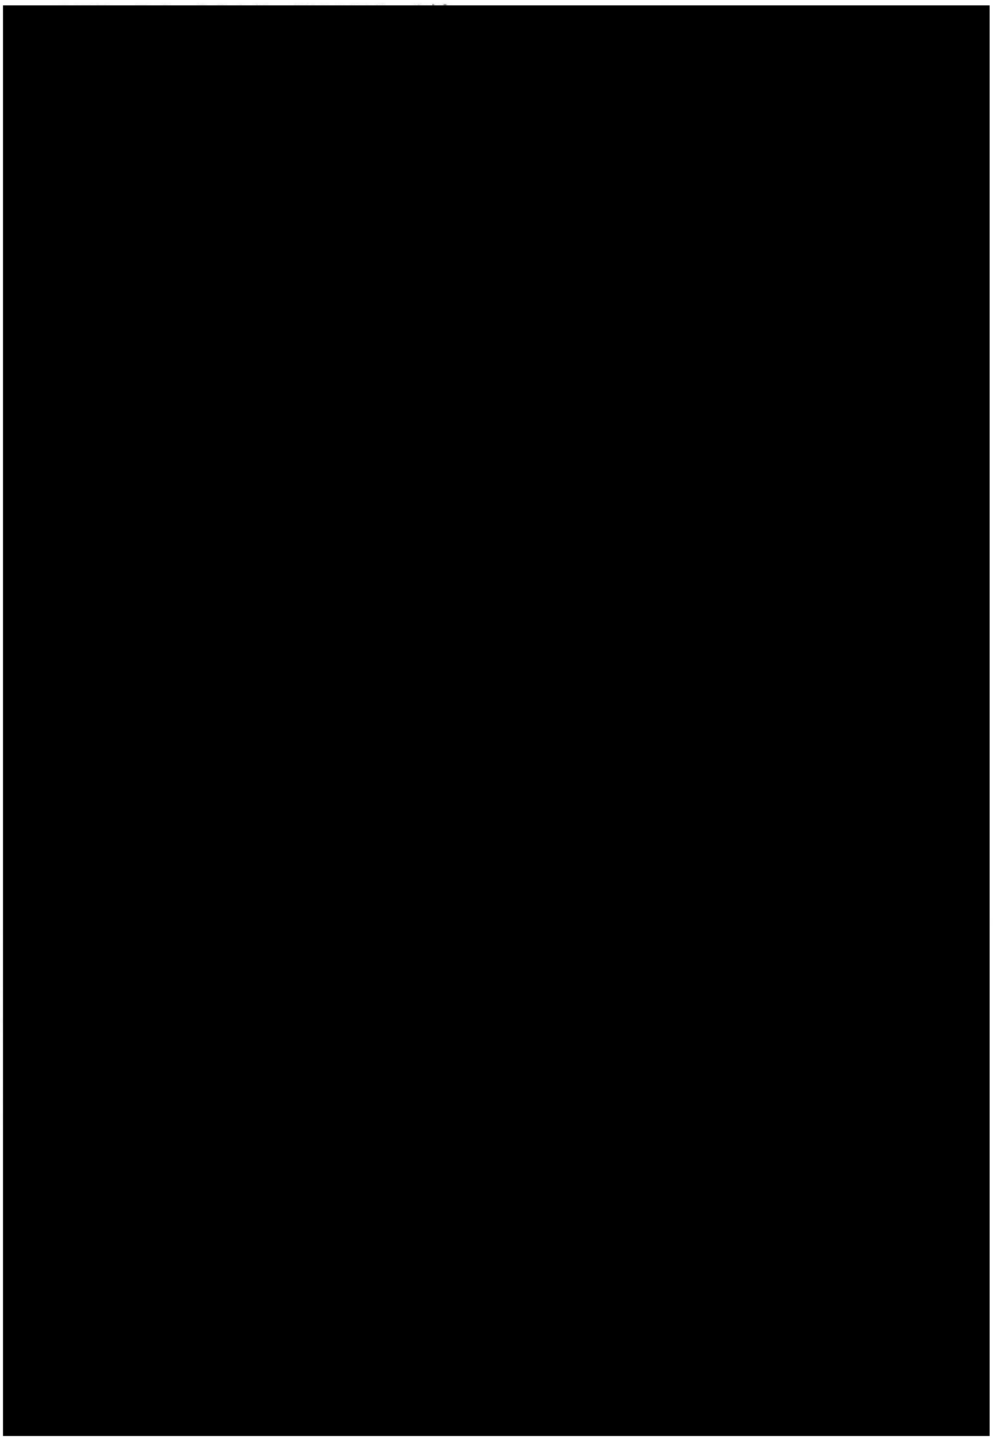
TO: Mrs. E cka Farrell (Civil Rights)

I/We are hand-writing this note to file a Complaint(s) against The City of Baton Rouge, East Baton Rouge Parish et. al. The North Baton Rouge Sewage Treatment Plant continues to Violate the Citizens of University Place Subdivision on a daily basis. This Plant has a negative impact on our health and property. The North Baton Rouge Sewer Treatment Plant makes us all ill. I/We are not on a lawsuit against the City Parish, but we should be. I/We have lived here for years. We need help!

Thanks


The Concerned Citizens of University Place Subdivision
