Subject: upcoming Passaic River Symposium

Dear Dave,

Hope this email finds you well.

Below please find the "save the date" for the upcoming Passaic River Symposium. May I ask you to please distribute it to interested parties. Additionally, will it be possible for me to schedule a time to have a phone conversation with you? I would really like to discuss with you on how the Symposium can serve as a platform for discussion between EPA/NGOs/the publics.

Thank you.

Meiyin
