WATER SECRETARY - CHICAGO HEIGHTS WATER DEPT.

SUBJECT: MUNICIPAL WATER SYSTEM

MS. VANDERWAF STATED THAT THE CITY OF CHICAGO HEIGHTS IS ON LAKE MICHIGAN WATER. THEIR PRODUCTION WELLS ARE ON STANDBY, WATER WAS BLENDED; PUMPED TO HOLDING TOWERS AND TANKS PRIOR TO DISTRIBUTION, DEPENDING ON DEMAND. NO BLENDING BETWEEN LAKE & WELL WATER OCCURS. THE CITY OF GLENWOOD BUYS THEIR WATER FROM CHICAGO HEIGHTS AND THE CITY OF HOMEWOOD IS ALSO ON LAKE WATER. EAST & SOUTH CHICAGO HEIGHTS, STEGER AND SAUK VILLAGE STILL USE THEIR WELLS. NO PLANS EXIST AT THIS TIME TO EXTEND LAKE WATER MAINS TO THESE CITIES. IT WOULD BE TOO COSTLY FOR THEM.
