Thanks Chief. I'll review and get back to you. I may be a bit off and on responding to you, as I've had a family emergency and am on my way back to Texas. Uncertain how long I'll be there, but will try to get this moving as quick as I can. Will work to get internal site id's and accounting strings going, then task our contractors asap. I have already contacted them to give a heads up.

Richard - I'll be in D.C. in early October and may want to take the opportunity to come by and visit.
