Nicole –
I wasn't able to catch Kathleen, so I went ahead and made a few relatively minor modifications to Carter's draft. It took longer than anticipated to get this to you because, despite hitting "save" multiple times, my initial revised version disappeared into cyberspace and I had to reconstruct it. I'm going to jump into a PARS midyear that I deferred while I was doing my reconstruction. If this looks ok to you, please forward it to Kathleen. I need to leave at 5pm, but I can follow up with her on this tomorrow.
Thanks –
-Kathy
