Dear Mr. Sparks:

This is to advise you that the Environmental Protection Agency (EPA) hereby denies a Resource Conservation and Recovery Act (RCRA) hazardous waste permit and terminates interim status for Norplex Division, UOP, Incorporated of Postville, Iowa, in accordance with Section 3005 of RCRA.

The facility may continue to generate hazardous wastes, but it may not function as a treat/store/dispose (TSD) facility unless a Part A and Part B hazardous waste permit application are submitted to the permitting agency and a permit is issued. The facility must continue to comply with 40 Code of Federal Regulations (CFR) Parts 262 and 270 as a generator of hazardous wastes.

In accordance with 40 CFR §124.15, this action will become effective thirty (30) days after the service of notice unless review is requested under 40 CFR §124.19, an evidentiary hearing is requested under 40 CFR §124.74, or a panel hearing is requested under 40 CFR §124.114. If you wish to request such review or a hearing, you must submit a request (an original and two copies) to our office within thirty (30) days from the receipt of this letter. The request will be timely if mailed by certified mail within a thirty (30) day time period following your receipt of this final notice. A request for review must conform to the requirements of 40 CFR §124.19. A request for an evidentiary hearing must conform to the requirements of 40 CFR §124.74, and a request for a panel hearing must conform to 40 CFR §124.114.

If you have any questions regarding this notice, please contact James A. Horn of my staff at (816) 374-6531.

Sincerely yours,
