SUBJECT (6-30-82 submittal)
Comments on Revised Closure Plan

SUMMARY OF COMMUNICATION
I called Mr. Edwards to tell him that we had reviewed the plan & MDNR comment letter. We agree w/ MDNR comments but soil borings should be taken at various depths to show extent of contamination. Mr. Edwards indicated that they sent the revised closure plan out on 7-16 & incl. a soil boring & analysis plan. Told him we would try to comment as soon as possible. I told him we would issue a public notice indicating that closure is underway.
