Shannon, Kim can submit a change request to update the contact info. It doesn't pose a problem as is thou….The NCE should update the status. However, you do need to make a drawdown, as outlined in the T&Cs. Thanks.
Kenny

Kenny - This is wonderful news, thank you! I reached out to ASAP today to inquire about drawing down the grant funds and was told that the grant is currently suspended. They told me to reach out to EPA to request that the grant status be changed to "Open." Is this something that you're able to help with?
I also wanted to make you aware that I should be listed as the project manager for the grant instead of Joe Connell. Is it possible to make this change & update the contact information accordingly?
Thank you!
