CONTACT LeRoy Vahovick PHONE (517) 322-1687

DNR

SUBJECT Sample information -

LeRoy State that they took sediment sample of the gravel pit (pond).

He also stated that the groundwater was not contaminated.

He refered me to David Dennis of Groundwater Quality at (517) 373-8481 and to Ray Wimmer of Environmental Services at (517) 373-4781.

The two referrals had no more information to give then LeRoy.
