> FYI EPA needs to intervene, and check out this situation for investigation,analyze to get a better understanding that this is a major impact in our ecosystem!
> There was major Prevailing High winds here late Friday send contaminated Toxic

radiation our hazardous particles into the air even headed to Pocatello
L no one seems to know the dangers due to FMC , and JR Simplot covers things up and hides the True Facts! We need EPA to step up and seek the Truth! True Earth Justice is needed here!
