CBP-2019-049974	Mr. Ji Hae Bae	My clientâ€™s few items have been seized for around one year since 4/17/2018. The client only got a seized receipt when the items were seized on 04/17/2018. We were told the client will receive notice which contains the case number. However, neither the client nor this office has received any notice for further action of this matter. Therefore, we requested to release the items to the client. However, when we called the fine and penalty department, they said we have to have FP&F number which we never got. Then we were told to contact the detained and lost department and after we contacted them they said they have no way to locate the items without a shipment number which we would not have. Please kindly provide a seizure number or FP&F number so we can locate the status of the seized items.	5/6/2019

CBP-2019-050729	(b)(6)	On August 9, 2018, the Penn State University School of Law Center for Immigrantsâ€™ Rights (â€œthe Centerâ€) requested information from U.S. Customs and Border Protection under the Freedom of Information Act. The data provided by Customs and Border Protection is arbitrarily limited in nature. The information provided is insufficient to fully address the entirety of our request and the agency provided no justification for the limited data. We appeal this information based upon the provided data setâ€™s inadequate nature and request supplemental data to fully address the request. Additionally, the Center was provided no information regarding this specific points of request. It is the agencyâ€™s determination that it cannot provide the omitted data pursuant to Title 5 U.S.C. Â§ 552(b)(6) and 5 U.S.C. Â§ 552(b)(7)(C). It is unclear how the requested data run afoul of either Title 5 U.S.C. Â§ 552(b)(6) and 5 U.S.C. Â§ 552(b)(7)(C), as the information requested is numerical in nature and does not constitute an invasion of personal privacy. We appeal the complete omission of the requested records and request data for all requested data points. The agency also determined that â€œsubjects who have active cases in immigration court are no longer in the custody of Customs and Border Protection[,]â€ and, as a result, Customs and Border Protection is not in possession of some of the requested information. It is unclear which information was omitted for this reason and which information was omitted due to its violation of the aforementioned provisions of the U.S.C. We appeal this omission based upon the incompleteness of this response. Please see the attached letter of appeal for more information.	5/8/2019

CBP-2019-051073	(b)(6)	This constitutes a request under the Freedom of Information Act for the U.S. Customs and Border Protection agency. I respectfully request any and all investigative records produced by the CBP Office of Professional Responsibility regardingone of its agents. According to a June 12, 2018 report by The Washington Post titled, "Customs and Border Protection agent faces inquiry after questioning reporter about her sources, a CBP agent, confronted a reporter, Ali Watkins, about her confidential sources. This is extremely unusual, as national security leak investigations are conducted by the FBI. The Post report also quotes CBP as saying, "The allegations has been immediately referred to CBP's Office of Professional Responsibility." (I have attached a PDF copy of the article for your convenience.) It is therefore clear that an investigation took place; since it was about a year ago, it appears likely that the investigation has concluded. If you have any questions about the handling of this request, please do not hesitate to contact me at the phone number listed below. Respectfully, I will appeal any rejection of my request administratively and to the courts if necessary. Thank you. I appreciate your attention in this matter.	5/8/2019

CBP-2019-053387	Mr. DAVID K. S. KIM	We need the subject 's entire CBP travel history and all data and records pertaining to the travel history, including both entry and departure information and data transfer activities between airline carriers and CBP. While the Subject's CBP Online I-94 correctly reflects her last date of entry on 10/16/2015, CBP Online Travel History contains numerous errors, namely, multiple departures to Guam and Saipan and arrivals from those destinations when the subject never departed the U.S. since 10/16/2015 when she entered the JFK-NYC POE with a valid J-1 visa. CBP Online Travel History for the Subject also shows that the Subject departed the U.S. on 12/12/2018 for Guam and never returned to the U.S. However, this is simply not true, as she has been physically present in the U.S. continuously since 10/16/2015. Therefore, we need to obtain the Subject's correct Travel History or all records pertaining to her travel history in order to correct the errors. Attached, please find the following for the instant request: 1. Duly executed G-28; 2. Printouts of the Subject's CBP Online Travel History with notes indicating the errors; and 3. Clear scanned copies of ALL PAGES, INCLUDING THE BLANK PAGES of the Subject's Passport which she used to make her last entry on 10/16/2015 through JFK-NYC with a valid J-1 visa, WHICH DOES NOT SHOW ANY SUBSEQUENT DEPARTURES OR ENTRIES.	5/17/2019

CBP-2019-056403	(b)(6)	Dear FOIA Department: I am a graduate student conducting research on bearer negotiable (BNI). Other names for BNIs include bearer monetary instruments and bearer financial instruments. I need to locate case studies that have involved BNIs. Also, any data or statistics that you have, specific to BNIs, would be very helpful. Basically, I am looking for any information or data on BNIs, old or current. I have already searched the CBP website, including Clearing CBP - Currency Reporting and its archives. Under "CBP Enforcement Actions", I see the currency seizures in the "Typical Day in Fiscal Year ..." and also the Office of Field Operations Currency Seizures by month and year. Please can you help. What other information do you have? Where else do you recommend that I look? Thank you very much! Sincerely,	5/30/2019
