Subject: Discussion on ESA consultation for LOOP facility

Hi Mike –

I left you a vm, but just wanted to see if we could set up a call between EPA and NMFS to discuss EPA's consultation with you all on the NPDES permit that we are working on for LOOP's discharges. Just want to have a preliminary discussion with you all to get some thoughts on how we might proceed.

I'm thinking early next week – maybe Tuesday morning?

Thanks,

Tina
