~ 1530 Spoke to Elizabeth Rothchild about site, referred to State Attorney Generals Office Laurie Massie.

~ 1545 Spoke to L. Massie. Tried to call Trustee assigned to site, Donald Harker, who was not available. Massie will pass my name + # along to Harker. Will try to contact tomorrow. Will ask Harker to sign a "Consent For Access to Property" generic form. Will schedule site visit for next week.
