Hi Scott-

Bill asked me to work with you on setting up this meeting. Unfortunately because of funding issues it will not be possible for us to travel. It would be great if LDEQ and the facility can come to Dallas for the meeting. We are available the week of the 23rd except for Friday 2/27. Wednesday and Thursday afternoon would work best but we can accommodate to your schedule. Let us know what days and time would work for you.

Regards,

Claudia

Subject: LOOP Meeting

Mr. Honker,

LOOP has expressed that they are available for a meeting the week of February 23, 2015. We are hoping to meet here at DEQ if that is acceptable to you and your group.

Please let me know if any day that week is acceptable and times that EPA could meet here at DEQ. If that week is not available to you, LOOP has indicated that any week after than is also good for them.

If you all are not available to travel to DEQ, please let me know and we can arrange to meet at your Dallas offices.

Sincerely,

Scott Guilliams
