WQ Hot Issue - LOOP3_15.docx

Hi David. I updated the LOOP hot issue paper to reflect that we are now working on the details of the permit's biomonitoring requirements.

Thanks.

Subject: Hot Issues - Louisiana Environmental Conference

Good morning all,

I hope everyone is doing well.

The RA will be speaking at the Louisiana Environmental Conference on March 19 in Lafayette, LA. The conference is hosted by the Louisiana Solid Waste Association. Peggy Hatch, Secretary of LDEQ, and Stephen Chustz, Secretary of LDNR, are scheduled to speak as well.

If you have any hot issues regarding this trip, please send them to me by **COB Thursday, March 12**, in the We Care format (attached).

The RA spoke at a conference in New Orleans, LA, on January 28. Below is a list of hot issues that were submitted then which may be relevant for this trip. Let me know if you need a copy of any of these issues, and I can send it to yall straight away.

As always, let me know if yall have any other questions/issues, and thanks for all your help!
