Subject: Draft LOOP Letter: Final Call for Edits

All,

Thank you so much for your review edits to the draft response letter regarding LOOP. I believe everyone has responded and I have included your edits to the draft below. If I have incorrectly captured your comment or if you see any additional edits, please let me know. One big edit to note, I removed the Coastal Wetland and Ocean Dumping paragraphs from the letter. Let me know if you would like to have this added back in to the letter.

For our next step, Rob is coordinating a meeting with USCG/MARAD to discuss this letter and to confirm each Agencies path forward on this issue. I understand Rob is targeting, Tuesday, January 30th for the call but our call arrangements are still a work in progress. More to come soon.

Thanks, Melanie
