EPA Form 8700-22 (Rev. 3-05) Previous editions are obsolete. I certify that the materials described on this manifest are not subject to federal regulations for reporting proper shipping name, and are classified, packaged, marked, and labeled, and are in all respects in proper condition for transport by highway according to applicable international and national governmental regulations. I also certify that I have selected the method of waste treatment, disposal, or storage for such waste that is deemed to be the most practicable and that I have selected a method of treatment, disposal, or storage that minimizes the present and future threat to human health and the environment; OR, if I am a large quantity generator, I have made a good faith effort to minimize my waste generation and select the best waste management method that is available to me and that I can afford. I have read and understand the statement of the generator's waste minimization program. I certify that I have selected the method of treatment, disposal, or storage for such waste that is deemed to be the most practicable and that I have selected a method of treatment, disposal, or storage that minimizes the present and future threat to human health and the environment; OR, if I am a small
