CITATION

TO ACCOMPANY THE AWARD OF THE

DEFENSE MERITORIOUS SERVICE MEDAL

TO

Commander Sean M. Spicer

Commander Sean M. Spicer distinguished himself through meritorious service as an Action Officer, Public Affairs Section, Office of the Chairman of the Joint Chiefs of Staff, from December 2014 to November 2018. During this period, Commander Spicer supported the Special Assistant for Public Affairs to the Chairman of the Joint Chiefs of Staff in planning and executing countless engagements with national and international media. As the public affairs representative for the daily Joint Staff Operations and Intelligence Briefing, he provided vital media analysis to ensure senior leaders had a clear understanding of the media environment. Possessing both diplomatic skills and public affairs acumen, the Chief of the Navy Reserve requested him to lead media training for Navy Reserve Flag Selects. Later, he was selected to serve as the public affairs facilitator for the Joint Flag Officer Warfighting Course, in that capacity he advised numerous general and flag officers on strategic messaging within the Defense Department and across the interagency. Commander Spicer provided exceptional media analysis for the Chairman's testimony to the Senate Foreign Relations Committee focused on Iraq and Syria. He also provided key strategic planning and media insights for the public roll-out of the United States and China World War II exhibit in the Pentagon. This event was a tremendous success and received widespread media coverage. Additionally, he superbly coordinated communications guidance, products, and support for the annual Chiefs of Defense Conference hosted by the Chairman which was attended by more than 80 countries and attracted significant national and international media attention. The distinctive accomplishments of Commander Spicer reflect great credit upon himself, the United States Navy and the Joint Staff.
