Scrubber Sludge Destined for Recovery

FOR INDUSTRIAL USE ONLY
EMERGENCY TELEPHONE (800) 424-9300 (Chemtrec)

WARNING!

Causes chemical burns to eyes · Harmful if inhaled · Can cause burns to nose, throat and ...ngs · May be harmful if swallowed · Causes chemical burns to skin

Wash thoroughly after handling. Always use appropriate Personal Protective Equipment (PPE).Do not breathe vapor. Use with adequate ventilation. Do not get on skin. Do not get in eyes.

FIRST AID

INGESTION: If accidentally swallowed, dilute by drinking large quantities of water. If the individual is drowsy or unconscious, do not give anything by mouth. Immediately contact poison control center or hospital emergency room for advice on whether to induce vomiting or for any other additional treatment directions.
INHALATION: If inhaled, remove to fresh air. If not breathing give artificial respiration, preferably mouth-to-mouth. If breathing is difficult, give oxygen. Call a physician.
SKIN: Immediately flush with plenty of water for at least 15 minutes while removing contaminated clothing. Call a physician. Wash clothing before reuse.
EYES: Immediately flush eyes with plenty of water for at least 15 minutes. Eyelids should be held apart during irrigation to ensure water contact with entire surface of eyes and lids. Call a physician.

FIRE AND EXPLOSION HA...

In case of fire, use dry chemical or CO2. Use water to keep fire... Wear full emergency protective equipment including NIOSH appro... contained breathing apparatus.

SPILL OR LEAK PROCEDUR...

Contain and/or absorb spill with inert material (e.g. sand, vermiculite), ... container. For large spills, use water spray to disperse vapors and flus... from entering waterways or sewers. Use appropriate Personal Protectiv... runoff ... (PPE).

Do not neutralize. Increasing pH above approximately 6.0 (standard units) ... liberate flammable vapors.

WASTE DISPOSAL

Recover free liquid. Absorb residue and dispose of according to local, state/provincial, and federal requirements.

STORAGE PRECAUTIONS

Keep container closed. Store in cool, dry area away from sun, heat, oxidizing materials and alkaline materials. Empty container may contain product residues. DO NOT cut, torch or reuse without commercial cleaning. Do not use air to unload bulk trucks. Unload using pumps or an inert gas, such as nitrogen. Store at room temperature. Do not store with strong alkalies or strong bases.

HAZARDOUS INGREDIENTS

The ingredients listed below have been associated with one or more ... health hazards. Risk of damage and effects depends upon duration and ... USING, HANDLING, OR EXPOSURE TO THESE INGREDIENTS, REA... MSDS.
