Jen:

Thank you. A couple of questions/statements to clarify....

1. The dates you have provided represent the meeting dates for a working-level to discuss specific RI comments and not potential meeting dates for the meeting that is being requested by CPG counsel to Regional counsel? The CPG will try to provide an agenda or a list of comments by June 10.
2. The modeling meeting dates represent meeting dates to discuss the ST, OC and CFT models?
3. What are the dates for the bioaccumulation model meeting?

Thank you.

Rob

Rob,

As a follow up to our conversation last week, I have pulled available dates for three separate meetings on RI comments, modeling comments, and the bioaccumulation model.

To prepare for the RI comment meeting, can you please get EPA a draft agenda or identification of comments you would like to discuss no later than June 10th. I have an internal pre-meeting with my RI team on June 14th where we will discuss the topics in advance.

Thursday, June 16
Tuesday, June 21
Wednesday, June 22
Thursday, June 23
Monday, June 27
Tuesday, June 28
Wednesday, June 29
Thursday, June 30

For the modeling meeting, our preference would be to meet June 23rd, 28th 30th

Thanks,
Jen
