Attached is the Summary of Comments for USS Lead. The summary incorporates our conference call discussion on 12/18/08 and identifies places where Regional input is needed to fully develop the response. The attached files include the Summary of Comments, a scanned PDF file of the PRP comments hand-numbered per our responses, and a completeness matrix that shows the commenters comment numbers cross-referenced with our response numbers. This matrix enables you to tell where each PRP comment will be addressed in our response.
