Angelo:

Here is the revised electronic version of the Draft HRS documentation record for USS Lead. IDEM and I hope that we responded to most of CSC comments:

USS Lead draftHRS_080726.doc

I will also be sending some additional references to CSC. These will most likely be FEDEX'd with the references for Behr Dayton and possibly New Carlisle as well. I hope to get them out early next week.

Thanks for all of your assistance with the calls and follow-up with CSC. I do appreciate all the assistance that you and CSC are giving us on this.

Please call me if you have any questions.

Thank you.
