Mick - double-checking with IDEM on current activities at Lane St.

For Behr - I would suggest forwarding a copy of the release to Steve Renninger as Stacey is still out of the office.

Subject NPL Indiana (2) news release (Draft) + NPL Planning

This replaces the earlied Lane St. draft I sent Erica. This one combines USS Lead and Lane St., since both are in Indiana. I think Janet is CIC for both too.

Erica/Mike, please review and provide comments.

Will send you drafts for Behr/Little Scioto, Chemetco and Amcast next week. Thanks.

Everyone else: Are there any dates/meetings/milestones coming up on the other sites in this update? Thanks.
