Subject IDEM's Site Assessment Funding Justification

Cecilia:

As you requested, IDEM has sent the attached files as justification for their $0 balance for the Site Assessment CA. Let me know what, we can fund them. If you need to meet with me to discuss this further, let me know. Thanks a bunch

Hi Gloria- Here is the explanation as to why we spent the entire amount we have been awarded so far and

why we need the additional 151,193 that EPA originally promised to award us as part of the 724,468. Any help you could give us in securing the additional award would be much appreciated. Thanks so much for your help! Give Gabriele, Rich or me a call if you need anything else.
