Didn't realize that. I'll mix USS Lead with Lane and Behr w/Little Scioto. One news release per state.

If you have better narratives for the proposed sites than you did 10 days ago, I'll take those too. Thanks.

Subject News release #1 of 4

Here's first draft on Lane St. Little Scioto coming next.

Glad to hear we're backed up to 3/18.
