I don't intend to participate unless you suggest otherwise. Let me know if there is any support you need from SEMD or the SB. Thanks.

I may have jumped the gun on having the Superfund discussion in the 3:30 call. While you are still welcome to sit in on the call, we will probably need to limit the discussion to the status of State efforts on the site and the recent groundwater results. We can also schedule a follow up call to discuss the intent for the Superfund coordination. Please pass this on to anyone from the Water Division that may also be participating in the call. Thanks
