Dear Ms. Rondberg:

It is our understanding, based upon your December 17, 1984, telephone conversation with Betti Harris of my staff that the enclosed Public Notice for Radio Broadcast will be broadcast as a paid announcement. The Public Notice announces our intent to terminate Resource Conservation and Recovery Act interim status for Sporlan Valve Company of St. Louis, Missour.

We have also enclosed a copy of the complete Public Notice to be published in the St. Louis Post Dispatch on January 2, 1985, that will provide you with additional information.

We have also enclosed a Certification of Radio Broadcast form and a self-addressed envelope. Please complete and return the form for our file. We need this form to document the fact that the Environmental Protection Agency has met its obligation to notify the public of the proposed action. Please broadcast the Public Notice as a paid announcement on January 2, 1985. The payment process will commence upon receipt of the Certification of Radio Broadcast.

Any questions regarding this letter should be directed to Betti Harris at (816) 374-6534. Thank you in advance for your efforts in broadcasting this Notice and completing the Certification.

Sincerely yours,

Chet McLaughlin
