Union Partners,

I am writing to provide you with notice that the agency intends to implement changes to PeoplePlus, the Agency's time and attendance system by rolling out PeoplePlus9.2 as an update to PeoplePlus8.9 at the beginning of fiscal year 2018. Although the proposed changes are consistent with agency time and attendance policies, questions have been raised concerning employees responsibilities in PeoplePlus9.2. As such, the Office of Technology Solutions in the Office of the Chief Financial Officer will hold a briefing on these changes August 29, 2017 at 1:00PM EST. Calendar invitations to the briefing will follow shortly. (Note: yesterday at the NPC eBoard meeting I informed the group that the briefing was going to be on 8/23 – unfortunately the briefers are unexpectedly unavailable during the week of 8/21).

It would be very helpful if you would attend the employee training in advance of the briefing: OCFO Training Registration Tool.

Your timeframes for submitting demands to bargain/proposals will begin on 8/29, after you attend the briefing on the changes.

Randy Ferrell is the LERD lead on this initiative and will represent the agency moving forward – please correspond directly with Randy on this initiative.

Thank you.
