Dear Mr. Pinard:

Pursuant to the telephone conversation between EPA, NH DHHS and you on August 5, 2015, EPA is extending, until September 21, 2015, the deadline for completion of the common area abatement activities required by the June 19, 2015 Order issued to Brady Sullivan under Section 7003 of the Resource Conservation and Recovery Act, as well as the cleanup activities required by EPA's letter of July 20, 2015. Pursuant to EPA's letter of June 29, 2015, the deadline for the common area abatement activities previously had been extended to July 31, 2015.

If you have any questions, please contact Andrea Simpson of my staff at (617) 918-1738.

Sincerely,

Susan Studlien
