The Forest Service would like to reopen the review period for the following EIS Notice of Availability:

EIS No. 20130360, Final EIS, USFS, AZ, Rosemont Copper Project, Proposed Construction, Operation with Concurrent Reclamation and Closure of an Open-Pit Copper Mine, Review Period Ends: 02/14/2014, Contact: Mindy Vogel 520-388-8300, Revision to FR Notice Published 12/20/2013; Correcting the Review Period End Date to read 02/14/2014.

Due to the length of time between the initial review period and now, the Agency will take the following actions to ensure the EIS is available to all interested parties:

The final EIS is available online at the project website: http://www.rosemonteis.us. The final EIS and draft Record of Decision describes the two decisions to be made with regard to the Rosemont Project, 1) to amend the 1986 Coronado Forest Plan and 2) create a management area for the mine under that Plan. These documents are also for review at the CNF in a public reading room and available to check out at local public libraries in and around Tucson, AZ (location provided on the project website). Additional information can be obtained by contacting: Sarah Elizabeth Baxter, Coronado National Forest, 300 W. Congress, Tucson, AZ 520-388-8348, sbaxter@fs.fed.us.
