Brian,

Sorry, I didn't have time for a discussion yesterday. If you would still like to speak with Melanie and myself, my morning today is pretty open. My afternoon is full of meetings.

Jeff

Jeff,

Texas Gulf Terminals Inc. (TGTI) appreciates EPA's technical review of and comments on the 112(g) case-by-case MACT submittal. Please find attached TGTI's response to your letter dated August 27, 2018. If you have any questions, comments, or suggestions, do not hesitate to contact Denise at (832) 203-6493 or me at (972) 661-8100. As noted in the response, TGTI would be happy to meet to discuss in more detail the case-by-case MACT analysis.

Regards,
Brian

Denise,

Attached is our letter indicating some of the additional areas we believe we need information to process the 112(g) submittal. I know we received some supplemental materials last week from you based on discussions Brian and Melanie had a few weeks ago. Melanie will also reach out to Brian to continue those discussions. Please let us know if you have any questions.
