☒ 18h. Other. Provide an explanation including the intended use and a description of why the product is being imported into the United States in Block 19 -- Remarks.

19. Remarks. Provide additional information here. It is recommended that a copy of the label affixed to the product be submitted with the NOA.

The competitor pesticide is being imported to perform laboratory analytical testing with no benefit of pest control. All testing should be completed by the end of June, 2017. The pesticides will go directly to Suterra's analytical laboratory at 20950 NE Talus Place, Bend, OR 97701. Leftover stocks will be disposed of according to local and state regulations. The label provided is a true and correct representation of the label that will accompany the R&D pesticide throughout it's distribution and analysis in the U.S.

Certification

I certify that the statements I made on this form and all attachments thereto are true, accurate and complete. I acknowledge that any knowingly false or misleading statement may be punishable by fine or imprisonment or both under applicable law.
