Attention Mr. R. S. Fulton, Area Mining Supervisor

Gentlemen:

We are herewith submitting additional information requested by Mr. Dave Stewart relating to the "Mining and Reclamation Plan For The P-15, P-17 Uranium Mine" as supplemental data to the mining plan delivered to you under the date of March 8, 1976:

> The Anaconda Company will comply with all applicable Federal and or State laws and regulations governing the P-15, P-17 mining operation conducted on "Lease 4" granted to the Anaconda Company by the Pueblo of Laguna.

We hope the mining plans for the P-15 and P-17 projects with the supplemental data contained herein will meet with your approval and look forward to your early favorable response.

Very truly yours,

T R Beck
