City | State | Zip Code

Ian Landon, Operations Manager
Facility Local Contact Name

ilandon@rangeresources.com
E-Mail

(276) 628-9001
Telephone Number

SECTION II: SOURCE DESCRIPTION

*Please check the proposed well flowback compliance option:

- ☐ Route flowback gas to a completion combustion device
- ☐ Reinject into the well or another well
- ☐ Use on-site as a fuel source
- ☐ Route flowback gas to a salable gas pipeline
- ■ Other Site dimensions prevent safe flaring operations

*Please complete the table below for each affected source per §60.5365.

Well Name/Number	API Number	Latitude & Longitude Coordinates (NAD83, Decimal Degrees to 5 digits)	Anticipated date of well Completion/Flowback
900119 w/PL	045-051-12464	37.22858, -82.24030	1/25/2013
