Date: Monday, July 15, 2013 11:11:32 AM

Hey Steve,

When you get a chance, per my voicemail message this morning, I'd like to chat with you about the Region 6 states and your experience in the aftermath of the Associated Press and Reuters requests in late April for the EPCRA Tier II database information.

I'm in the office Monday thru Thursday this week.

Thanks!

Mike
