Ok .. need to spend some time with lindsay – hopefully in the morning –

Okay to let you know tomorrow?

Thanks ng

2:30 or 3 would work, or really any time between 2:30 and 4:30. Let me know if that works for you.

Just talked with lindsay and she is more than willing to talk with Jennifer so I will connect them

Also talked with he on some organizational issues – so if you have a few minutes tomorrow to discuss – would love to do prior to Monday and things start moving fast again –

Just le me know what time works for you thanks ng

Sounds good. Thanks for the update. And agree.

I hope you're finding a few minutes for yourself this weekend! ☺

- <!--[if !supportLists]--><!--[endif]-->Human Health Toxicity Values for Perfluorobutane Sulfonic Acid and Related Compound Potassium Perfluorobutane Sulfonate (PDF)(171 pp, 7 MB, January 19, 2021)

  The information in the PFBS toxicity assessment may be used by federal partners, states, tribes, and local communities, along with specific exposure and other relevant information to determine, under the appropriate regulations and statutes, if and when it is necessary to take action to address potential risks associated with human exposures to PFBS.

- <!--[if !supportLists]--><!--[endif]-->Memo: Toxicity Assessment for PFBS (PDF)(5 pp, 213 K, January 15, 2021)

  OCSPP provided this memo to advance cross-office consistency and coordination. OCSPP was an important part of the Agency workgroup on the Assessment. The memo identifies key considerations regarding the application of a database deficiency uncertainty factor for both chronic and subchronic toxicity, taking into account data needs.
