Hi Lance,
Sorry, but I couldn't send an email for the extension request. I wanted to discuss with our Legal, Eve Barron.

We have received the letter from your office on January 21, 2014 and want to request our response time by 2/28/14 by considering data/report review time.
Please let me know the new deadline of 2/28/14 would be granted.
Thanks.

Hello Julie,

Did you still want to request an extension to respond to the Special Notice Letter? I was looking for your email and didn't know if you sent the email to me or the attorney, Marvin Benton. He was out of the office last week and I'm not sure if has checking his email. Thanks for your time.

Lance
